on our 32nd annual

Ultimate Whale Watch

Saturday, March 26, 2011

Our annual "Floating Fiesta" will leave from San Pedro's LA Harbor Sportfishing aboard the "First String" at 8 a.m. and head for the west end of Catalina Island looking for gray whales on their northbound migration. We will have expert naturalists on board and we will look for all the wildlife that can be found in the area, including dolphins, porpoises, seals, sea lions, birds and other species of whales. We will have a fantastic raffle! We'll return at approximately 5 p.m.

Prices are \$69 per person (\$59 for ACS members)
